

The New Shoe Store

There is this new shoe store coming to *Houghton Lake* . The shoe store is **Famous Footwear**. The store will be opening up around February. The Shoe Store Department (by Walmart) will be giving shoes and money to help out with interior cost.

What it brings!

The store is going to open in two months. With a wide selection of *Nike, Under Armour, Puma*, and much more famous brands! All the trusted brands. The store will also have T-shirts, backpacks, socks, and of course shoes.

Reason

The owner of **Famous Footwear** said this, " We don't want customers to drive to West Branch, though the money will decrease here residents will enjoy it there too." I think it is a good reason. I would not like to waste money on gas.
